

## The Fourth European Healey Meeting is set to go! Why not come and join the fun?

The Crieff Hydro Hotel is a fabulous venue for our week exploring Scotland. This traditional Scottish hotel has been family-owned for over a century and lies amidst 900 acres of wonderful forests and gardens. Although the hotel is housed in a building that dates back to 1868, it was extensively redeveloped from top to bottom to provide 4-star accommodation in 2004. There are a total of 213 rooms and facilities include a 4th. European Healey reception desk with event organisers in attendance during the day, throughout the week, a conservatory cafe, a hair-dresser's salon, a cosy bar, a public Internet terminal and 2 a-la-carte restaurants. The tastefully decorated rooms each come with an en-suite bathroom, a direct-dial telephone, Internet access, central heating, tea and coffee making facilities and a hire safe.

If you have any time in between driving your Healey, a swimming pool and sun

terrace are available as well as a choice of over 40 on-site leisure activities. Daily childcare for 2-12 year olds is also on offer. The hotel can be reached easily from the cities of Edinburgh and Glasgow in 1 hour.

## Knockhill Circuit

We will be holding a track day at Knockhill Racing Circuit on Wednesday 29th May. Knockhill is Scotland's only approved MSA and FIA Internationally graded Circuit and is famous for hosting major televised motor-sport events. It is a demanding road-circuit style track, 1.3 miles (2km) long, and 30 feet (10 m) wide, with a unique series of twists, turns, drops and climbs, varying by around 200 feet (60m) from highest to lowest point.

## The Famous Grouse

The Famous Grouse is the second best-selling blended Scotch whisky in the UK and the 32nd biggest drinks brand worldwide. Furthermore, it is heralded as Scotland's favourite drink. The blend is made up of noteworthy components; whisky from The Macallan, The Glenrothes and Highland Park are included, though 65% of the spirit content is made up of grain whisky. The Famous Grouse blend was conceived by

a Perth based grocer and drinks merchant named Matthew Gloag. In 1860, his son, William Gloag assumed control of his

father's company and started blending whisky. It was in 1896 that William's son, named Matthew for his grandfather, controlled operations, creating the Grouse brand in 1897. During the early 20th century, blended whisky was a very popular product and the Famous Grouse went from strength to strength. A short walk from the Crieff Hydro to the distillery with us will give you the opportunity to find out for yourselves!
